

Mammoth Lakes Early Departure Policy

The trip leader will inform everyone on the trip when the chartered bus will leave for San Diego from Mammoth Lakes which is usually 4:00 PM.

If severe weather conditions occur on the on the last day of the trip, the trip leader can make the make the decision to leave early if either of the following occurs:

- The road leading out of Mammoth Lakes (i.e. Highway 395) is going to be closed by the Highway Patrol.
- The bus driver requests an early departure, citing poor weather and road conditions.

If the bus has to leave early the trip leader must contact all of the people on the trip and inform them of the when the bus will leave Mammoth Lakes and where it will be located.

NOTE:

The bus shall not leave any trip participant behind, unless directed by Highway Patrol or other law enforcement agency.
