

Come Join Us!

Dave & Mary Jo Lau are heading to the Laguna Beach Festival of Arts & Pageant of the Masters on a Day Tripper Tour on Friday, August 11, 2017. Come join us for a fun afternoon & evening.

These “living pictures” are an amazing experience for every one! The Grand Tour is a virtual passport to experience the spectacle, music, stories and grand illusions of the great cultural centers throughout the world as masterpieces come to life during a breathtaking imaginative journey through the 17th and 18th centuries in search of unforgettable art.

Even if you’ve attended the festival in the past, 2017 will be a great year to return as the entire grounds are currently undergoing an extensive 10-million-dollar renovation that will feature new gallery spaces, a concert area, art workshops, wider pathways and updated and additional bathrooms.

Your tour includes time in the artist community of Laguna Beach for dinner on your own, admission to the main festival and excellent reserved Main Tier seating for the performance. You won’t want to miss this unrivaled event!
